

NEW JEEP[®] COMPASS

THERE IS ONLY ONE INNOVATION:
EVOLUTION

IT IS A MATTER OF
DOMINATING
YOUR HABITAT

As Jeep, evolves, it stays true to its spirit. It takes over the road and allows you to handle any situation with absolute confidence and control. All that surrounds you becomes part of the natural environment. The New Jeep, Compass was born to offer the perfect driving adventure. It has grown in efficiency without compromising performance, to take you on a smooth ride anywhere you want. It tackles all terrains providing a comfortable driving experience in the city with an off-road attitude that is still as exciting as ever. And today, the power of technology and innovation takes fun to the next level. You get character. You get style. You get power and reliability. The future is now. And in your New Jeep, Compass it promises to be an exciting adventure.

WILDLY BEAUTIFUL

Form has evolved into refinement. An agile stance where elegant lines and solid design blend effortlessly. The beauty of the New Jeep, Compass shows up in every detail. It keeps its classic rugged and tough spirit without giving up on style. The sleek exterior, the smooth lines, and the aerodynamic design bring out the beauty in the details, like the contrasting black sunroof, the chrome moldings delineating the side windows, the iconic seven slot grill and the robust rear design. The New Jeep, Compass grabs your attention instantly. You feel the thrill of the moment when you set your hands on the wheel. Dream it, drive it. Experience beauty.

Upgrade your driving experience. Everything in the New Jeep, Compass has been tweaked to refresh efficiency. Skillfully sculpted shapes, state-of-the-art technology and limitless connectivity make your ride enjoyable and practical. The characteristic trapezoidal dashboard, the sleek black finishes and the soft-touch details further refine the Jeep, interior. Once again, its design is committed to maximum functionality. The leather steering wheel with integrated controls is connected both to the Uconnect™ radio display and to the TFT 7-inch configurable display.

LEVEL UP
YOUR SATISFACTION

androidauto

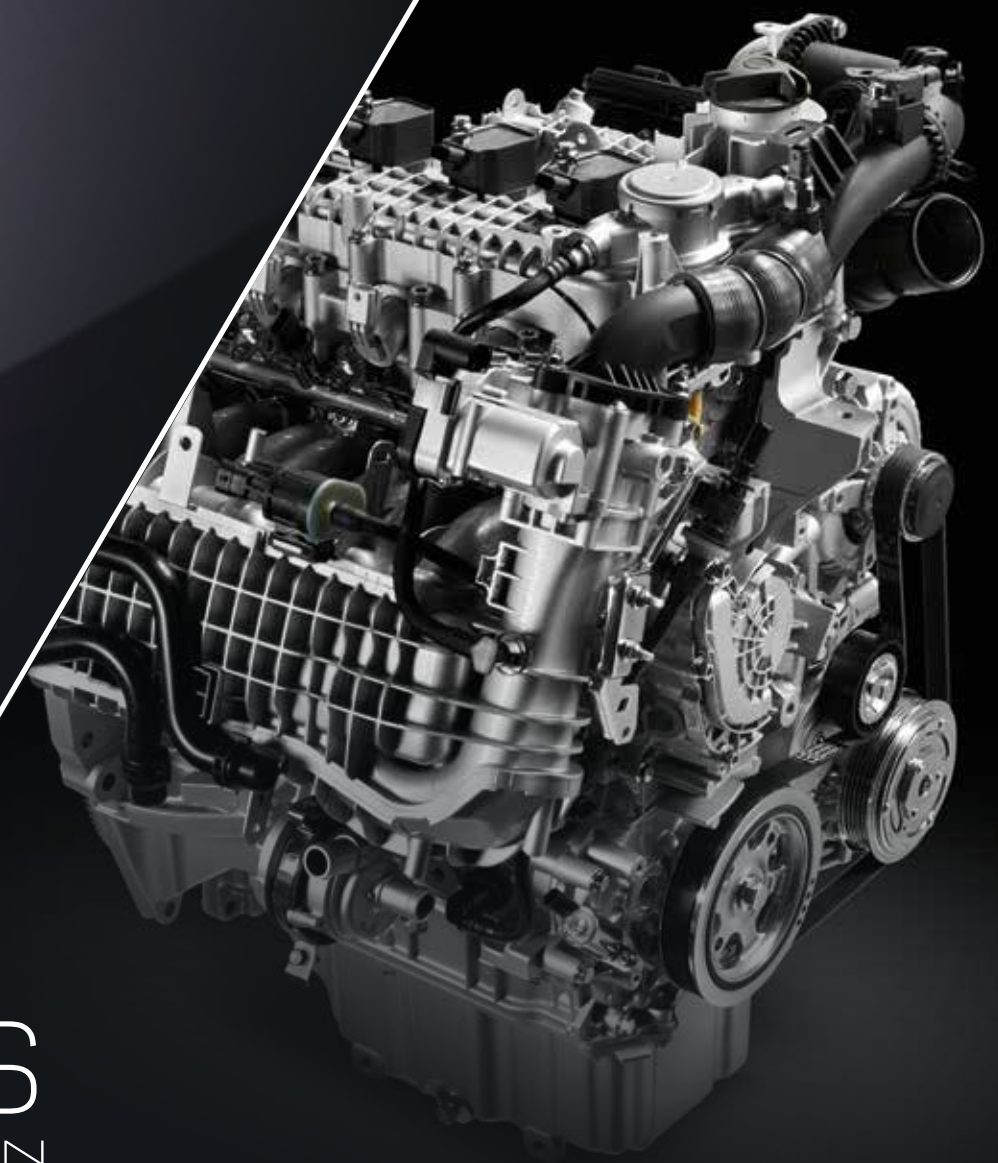

In the New Jeep® Compass, the fourth-generation Uconnect™ interactive system, available with HD touchscreen up to 7 inches, allows you to rapidly activate every single function through a voice command and bring out the full potential from your smartphone, without ever taking your eyes off the road. Apple CarPlay enables iPhone users to access Apple Maps, Messages and Apple Music and to make phone calls through Siri voice control or the Uconnect™ touchscreen. Android Auto™ Lets you easily access voice commands, Google Maps™ and Google Play Music™ via the touchscreen or the steering wheel audio control.

WHATEVER YOU WANT
WHENEVER, WHEREVER

MOTION
EVOLVES
INTO FUN

Everything changes, everything evolves. But the fun to drive remains. The New Jeep® Compass has taken the internal combustion engine to a new level. The result? A lighter engine, with an excellent response for reduced fuel consumption and a high-standing performance respectful with the environment and exciting to drive in all condition. Jeep® Compass, with two available transmissions, six-speed manual transmission and seven-speed automatic transmission, for 4x2 drive. This powerful, fuel-efficient, turbocharged engine takes full advantage of our advanced MultiAir® technology. The system varies the volume of air consumed by the engine, resulting in superior performance and strong pulling power. Jeep® Compass offers 1.4-litre MultiAir Turbo petrol engine, delivering 102 kW with Manual or Automatic Transmission and a 4x2 configuration.

EXTERIOR

- Radio touchscreen Uconnect™ 7" with Digital Audio Broadcasting
- Apple Carplay / Android Auto
- Uconnect™ Services

LONGITUDE

A silver Jeep Cherokee SUV is shown from a front-three-quarter view, parked on a wooden pier. The background features a city skyline at dusk, with illuminated buildings and a body of water reflecting the lights. The sky is a mix of blue and orange. The car's headlights and fog lights are visible, and the Jeep logo is on the hood. The word 'LONGITUDE' is written in large, white, outlined letters at the bottom left of the image.

Fuel consumption (L/100km) Combined	8,1	7,7
Compression ratio	-	-
Configuration	88 / 3750	96 /4750
Valves	-	-

FUEL CONSUMPTION AND CO₂ EMISSIONS: Values calculated on the basis of the measurement / correlation method referring to the NEDC cycle as per Regulation (EU) 2019/1840. The values indicated for fuel consumption and CO₂ emissions are measured by the manufacturer on pre-approval tests, and may subject to modification depending upon the definitive homologation. The CO₂ and fuel consumption values obtained according to applicable regulation are indicated in order to allow the comparison of vehicle data. The values of CO₂ and fuel consumption may not reflect the actual values of CO₂ and fuel consumption, which depend on many factors related, by way of example but not limitation, to the driving style, the route, the weather and road conditions, as well as the condition, use and equipment of the vehicle. The indicated value of CO₂ and fuel consumption refers to the versions of the vehicle with the highest and the lowest values. Those values may change with subsequent configuration depending on equipment selected and/or size of tires selected. The indicated values of CO₂ and fuel consumption are not definitive and may evolve as a result of changes in the production cycle; more up-to-date values will be available at the selected official dealer of the FCA network. In any case, the official values of CO₂ and fuel consumption of the vehicle purchased by the customer will be provided with the vehicle's accompanying documents. In cases where the values of CO₂ and fuel consumption are relevant for the purposes of calculating taxes and duties related to the vehicle, reference should be made to the applicable laws in each Country.
