

OUTLANDER SPORT

Your Captivating Partner

Turn your everyday into a more comfortable and exciting experience. OUTLANDER SPORT ignites your sense of adventure and brings fresh excitement to the entire family, like never before.

It captivates your heart in an instant. With an elegant and effortlessly flowing profile, the concept is all about being SILKY & SOLID. It stands out beautifully at all times.

SILKY & SOLID

Embracing the Next Chapter with You

Artistically positioned lights stand out as a symbol.
What awaits ahead is a new journey for you.

Experience the dynamic appearance that defines the new generation with OUTLANDER SPORT.
It fully satisfies your curiosity, setting its sights on the next everyday adventure and
unseen landscapes.
Now, let's go together. Beyond that, a new world is sure to unfold.

A New World Awaits Beyond

Comfort & Refinement

Sink into the premium seating that resembles a luxurious living room with its spacious design, featuring wide seats and ample room in the rear. OUTLANDER SPORT wraps you in a gentle embrace, making every moment a truly special experience.

Private Concert Hall

It feels like a special concert hall just for you. You can discover an exciting music experience in the daily driving life.

Dynamic Sound YAMAHA Premium

MITSUBISHI MOTORS and Yamaha created an unprecedented high-quality acoustic space for OUTLANDER SPORT.

Ideal sound experience

You can choose from 4 sound types and a range of listening positions to match your mood and preferences. Speed Compensated Volume (SCV) ensures consistent audio quality in any situation.

Front dome tweeter on A pillar

Front door speaker

Rear door Coaxial 2way speaker

Speaker position

Four selectable sound types

Lively

Enjoy a sharp, clear bass and lively vocals.

Signature

Vividly accentuating natural instrument tones and captivating vocals.

Powerful

An energetic sound with powerful and weighty bass.

Relaxing

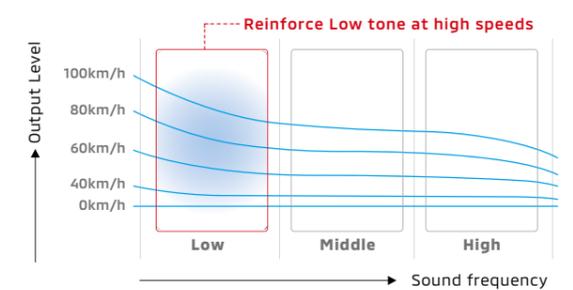

Delight in a serene music experience with a balanced and composed sound.

High quality audio with SCV

You can enjoy high-quality audio even on rough roads or high-speed driving.

To keep Bass sounds clear, not only volume but also equalizers are vehicle speed-linked by SCV function.

Adjust Vol.&Equalizer

Dynamic Sound Yamaha Premium exclusive to Exceed only
 Note: Some equipment may vary by market. Please consult your local MITSUBISHI MOTORS dealer/distributor for details.

Feel It. Hear It. See It. Experience the Latest Innovations.

Uniting Intuitive Operation and Advanced Design

Featuring a sleek and futuristic design, the meter is equipped with a large 12.3-inch display, allowing drivers to effortlessly access vehicle information. With its intuitive operation and clear visibility, it enhances the driving experience, making it even more exciting with a variety of engaging content.

HOME

The screen is divided into three sections, displaying frequently used content for the driver. Moreover, it offers the freedom to customise the display with preferred content.

Spacious and versatile luggage space

Discover OUTLANDER SPORT's spacious, adaptable and versatile luggage space. With its height-adjustable cargo area, you can even transport taller items by adjusting the cargo board.

1. Height : **439** mm
2. Width : **1,060** mm
3. Depth : **720** mm
4. Adjustable Height : **103** mm

* Adjustable height is exclusive to GLS and Exceed models

Equipment

Hands-free power tailgate
Open and close easily by put foot under rear bumper.

Dual-zone automatic air conditioning and rear air vent
Temperature settings can be adjusted independently for the driver's seat, front passenger seat.

nanoe™ X
Removes odors and improves the interior air quality, creating a more comfortable driving environment.
*nanoe™ and the nanoe™ marks are trademarks of Panasonic Holdings Corporation.

Console tray with wireless charger
Enables convenient charging by simply placing your smartphone on the charger.

USB port for charging (Type-A and Type-C)
Features convenient USB ports for charging devices.

Sunvisor mirror

Storage

Console box / cooling function
The console box is equipped with a cooling function.

Passenger tray
Convenient storage space for smartphones and small items.

2 cup holders

Door trim storage (front)
Convenient for storing small items like plastic bottles and foldable umbrellas.

Console side pocket
Provides dedicated space to store your smartphone.

Glove box

Embrace the Joy of Unstoppable Momentum

Excellent ground clearance and visibility

A minimum ground clearance of 222 mm delivers outstanding performance on uneven or flooded roads. Enjoy peace of mind on any route as our class-leading high eye-point provides excellent visibility, allowing you to easily navigate and assess your surroundings.

Minimum ground clearance: **222 mm**

*When equipped with 18-inch alloy wheels and excluding the under cover.

Selectable Drive Modes tailored to your needs.

You can select the most suitable drive mode according to the road and driving conditions. WET mode is specifically designed to support driving on surfaces like flooded roads, ensuring stable performance in various situations.

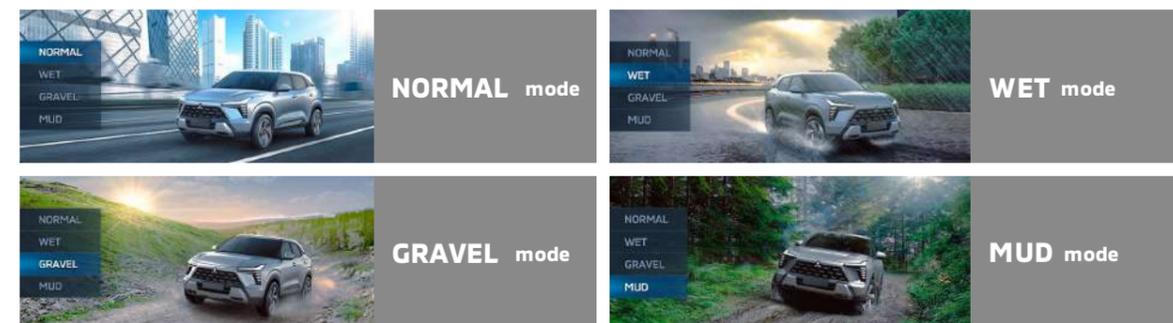

WET MODE
Provides stable steering control whilst reducing wheel slip on wet or flooded road surfaces.

Intuitively clear and easy-to-switch mode selection.

Drivers can quickly and intuitively recognise the current mode status on the display. Additionally, mode selection is easy to operate with just a single switch.

Drive mode selector

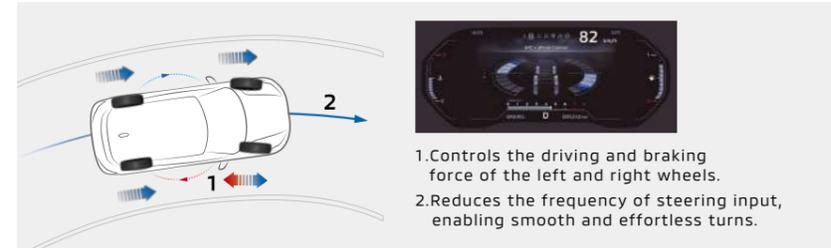

Unwavering Confidence, Limitless Exploration

Dependable driving performance.

OUTLANDER SPORT delivers a comfortable and stable driving experience that drivers can confidently drive with peace of mind.

Active Yaw Control [AYC]

By controlling the brakes even on slippery road surfaces, it optimises the control of the yaw moment acting on the vehicle, resulting in excellent turning performance and driving stability. It provides drivers with the freedom to drive exactly as they desire.

Responsive 1.5L MIVEC engine

The spirited 16-valve DOHC engine with advanced MIVEC* puts ample power at your command – more than enough to carry 5 people with ease.

*Mitsubishi Innovative Valve timing Electronic Control system

High-efficiency Continuously Variable Transmission [CVT]

The high-efficiency CVT provides an ideal balance between fuel efficiency and driving power with smooth gear shifts. Step-up shifting provides a crisp acceleration feel that's powerful and sharp.

Well-Tuned Suspensions

The suspension system is developed to accommodate large tyres and wheels. It provides a smooth steering feel and ensures a comfortable ride.

RISE Body

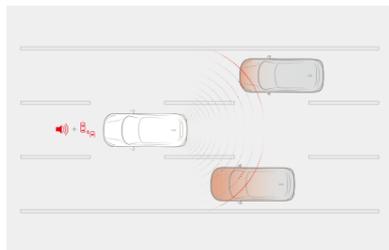

The high body rigidity helps to minimise body torsion, contributing to excellent steering response and high driving stability.

Electric parking brake with Brake auto hold

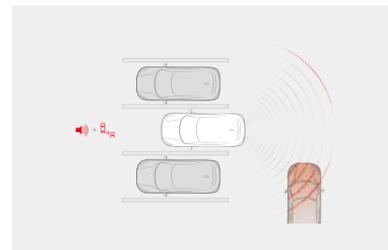

Features an electric parking brake that is engaged by pulling up the switch and can be released by pressing the switch or pressing the accelerator pedal.

Advanced Safety Equipment Supporting Every Passenger

BLIND SPOT WARNING [BSW]

Detects approaching vehicles from the rear diagonal and adjacent lanes. Notifies the driver of their presence through the illumination of the door mirror indicators. When the turn signal is activated in the direction where a vehicle is present, it prompts the driver's attention through warning buzzers or other means.

REAR CROSS TRAFFIC ALERT [RCTA]

Detects vehicles approaching from the rear diagonal direction. When backing out in places like parking lots, it alerts the driver to the presence of approaching vehicles through warning buzzers and flashing door mirror indicators, prompting caution.

6 Airbags

For added protection in case of an accident, all vehicles are equipped with a total of six airbags as a standard feature, enhancing overall safety.

Equipped with advanced safety features, OUTLANDER SPORT supports drivers in any situation, making driving more enjoyable and inspiring a desire to explore new destinations.

BSW : The detection and control capabilities of the Blind Spot Warning system [BSW] are supplemental only and do not warn you of vehicles in blind spots in every situation. Please do not rely solely on this system whilst driving. BSW may not operate normally in some cases, depending on traffic, weather, road surface conditions and the presence of obstructions.

RCTA : Do not rely solely on Rear Cross Traffic Alert [RCTA], which may not detect all moving vehicles in certain conditions.

Note: The radar wave graphics are for illustrative purposes only and do not represent the actual sensor application. Drivers are fully responsible for their own safe driving. Please drive safely and do not rely solely on these systems whilst driving. Some equipment may vary by market. Please consult your local MITSUBISHI MOTORS dealer/distributor for details.
